

Tour Request Form

Texas Heart Institute works with various organizations and groups to host tours of our research and education facilities once a month. While we cannot guarantee every tour request we receive, we do try to work with all who inquire to accommodate their request and introduce them to the important work we do here at the Texas Heart Institute.

Tour availability books quickly, so please submit your request as far in advance as possible. Please complete all fields below and submit your inquiry to the Public Affairs contact listed on our website [here](#).
